

## Client Meeting with Beck Buri

Date: 03/20/2026

Time: 1:00 pm - 1:15pm (15 minutes)

- Revised Minor tweaks to Landing page, updated admin dashboard and management of new features.
- Our client wants big holiday themes (Christmas, 4th of July, etc.) to last longer (~30 days), whereas smaller festivities can last for a few days at most.
- whitmanvs.com current accessibility standard was discussed - WCAG compliance reviewed with WAVE browser extension.
- Supplementary documentation/certification is needed to verify the current website's compliance with ADA law.
- Once documents are in place, a link will be added in the bottom bar for it.
- Next meeting plans: website usage instructions, setup/management document for future developers.
